MESSAGE

Vishwaroop Education has always been in the forefront in imparting comprehensive teachings to new generation.

The National Viswaroop Quiz 2025 is an initiative that beautifully blends constitutional awareness with cultural heritage, drawing inspiration from the original illustrated manuscript of the Constitution. Engaging students from across the nation, the quiz nurtures respect for democratic values and strengthens our collective commitment to justice, liberty, equality, and fraternity. As we celebrate 75 years of the Constitution and also our independence, the sentiments are extremely inspiring and also thought provoking.

May this endeavour continue to inspire and educate the *GenNext* and script own success story.

Rajendra Vishwanath Arlekar
